

### **Roundtable on Capacity Building in Banks**

The Committee on Capacity Building in Banks was constituted by the Reserve Bank with the objective of implementing non-legislative recommendations of the Financial Sector Legislative Reforms Commission (FSLRC) relating to capacity building in banks and non-banks, streamlining training intervention and suggesting changes thereto in view of ever increasing challenges in banking and non-banking sectors.

#### **Program Objective**

The objective of this roundtable is to discuss the key aspects of the recommendations of the Committee on Capacity Building in Banks and to formulate strategy to streamline and implement the recommendations. The roundtable would also discuss the issues and challenges in implementing appropriate certification & accreditations process to strengthen the present framework of training, ensure development of appropriate skill set and to make it more competitive with state of the art technology.

#### **Program Highlights**

Human resource intervention that would be required for improving the efficacy and efficiency of personnel employed at various levels by banks

Key Speakers include Chairman and members of the Committee on Capacity Building in Banks along with CEOs of Training Institution / CMDs of banks / Head of HR/Training in banks

The program will provide platform for effective interaction to strengthen the present framework of training.

#### **Participants Profile**
